

The Fallsmead Sharks are looking for an Assistant Coach to join our friendly, neighborhood swimteam. Our team includes around 100 swimmers, and we will compete in Division N for the 2021 season. Our committed team ran a modified COVID-safe season in 2020. We plan to do the same in 2021, following MCSL and local guidance to ensure safety for our swimmer and coaches.

We are looking for a Coach with good knowledge of stroke techniques, good interpersonal skills, and the ability to work well with other coaches to motivate swimmers and promote team spirit.

We offer a competitive salary and the possibility of performance bonuses for our coaches at the end of the season. Additional income from private swim lesson is also possible. We hold afternoon practices from Memorial Day through the last day of school. Once school is out, we hold both morning and afternoon practices.

Must be available to attend all practices and all scheduled swim meets, as well as scheduled social events (pep rallies, team lunches, banquet etc).

Current First Aid/CPR and lifeguard certification preferred.

If interested, please email "fallsmeadsharks@gmail.com"
