Swimming Pool**

About Garrett Park Pool

Garrett Park Swimming Pool Association was created in 1954 and is located at 4472 Cambria Avenue. It is open from Memorial Day through Labor Day (or as posted on the website). This community pool was originally built in 1954 and has undergone numerous improvements since then. It is under the direction of the Garrett Park Swimming Pool Board/Association. Membership is required. Residents of Garrett Park, Garrett Park Estates, White Flint Park, and Strathmore Place may join.

The pool is a popular gathering spot for fitness and socializing during the summer months. The pool complex offers 3 pools (a 25 meter lap pool, a 25 meter pool with diving area, and a toddler pool), a locker areas with showers, a beach volleyball court, table tennis and multiple picnic areas. The pool is a private organization and is governed by a Board of Directors.

Garrett Park Swim Team Looking for Assistant Coaches

Garrett Park Swim Team, led by Head Coach Ross Tollefson, is looking for assistant coaches for the 2018 season. We would prefer that applicants to be over 18 years of age, but we will consider younger applicants as Junior Coaches. Having work experience at another MCSL team, private winter club, or summer lessons is great. If you don't have a lot of experience, that is OK too! We are happy to train you. Applicants must be great with kids and have the maturity to handle situations with swimmers and parents.

GPST holds two practices per day, and two meets per week. Every Friday we have a team function which coaches need to attend. The coaches have several meetings before/during/after the season. All of these are part of the job and you are expected to be in attendance. Please expect the job to take 20-30 hours per week. If anyone is interested, please send Ross Tollefson an email at ross@tollefsonswimming.com. Thank You!
