

Assistant Coach Position Available

The Inverness Forest Nessies are looking for an Assistant Coach for the 2010 swim season. The team is closely aligned with the rest of the pool community and supports A and B Meets as well as a Pre-Team enthusiastically.

We are looking for a person with both interpersonal and technical skills, who can motivate swimmers of all ages and abilities, and who has the energy to help lead a strong team from Memorial Day weekend through All-Star weekend at the end of July. Coaches will be expected to participate in and encourage swimmer participation in weekly spirit and social events and other team activities throughout the season. Candidates need to be reliable and responsible in helping to lead daily practices and the A and B Meets each week. He or she should have up-to-date Lifeguard and CPR certifications, and a valid Pool Operator's license is helpful.

Inverness Forest is in division H for the 2010 season. We have both morning and afternoon practices once school is over, with meets on Wednesday nights and Saturday mornings. We are a community pool with supportive parents who appreciate summer swim team for what it offers beyond just the competition at meets.

We offer competitive salaries and the opportunity to help organize and run a competitive (and FUN!) summer swim program. We support coaches offering private lessons and stroke clinics during the summer as well.
