Assistant Swim Coach Wanted

The Kemp Mill Swim Club located in Wheaton, Md. is looking for an enthusiastic assistant coach for its team of about 100 swimmers, who will swim in Division N in 2010. If you or someone you know would be interested, we're looking for:

...a **strong leader** experienced in

- teaching the stroke mechanics;
- coaching competitive swimmers;
- guiding pre-teamers;
- developing a fun, enjoyable atmosphere

We like to have fun while we're winning—so our coaches must demonstrate a love for the sport, the ability to motivate our older swimmers to greatness, and the desire to inspire our newer swimmers, all while sparking the enthusiastic support of our swim team families.

Our coaches need to commit to a season that begins around Memorial Day and runs through the All-Star competitions (late July/early August). We will have afternoon practices until schools close for the summer, and morning and afternoon weekday practices thereafter, with special sessions for our divisional and All-Star qualifiers. Candidates must have current lifeguard and CPR certification.

We have both "A" and "B" teams with meets on Wednesdays and weekends. We also have a pre-team for which we host a mini-meet. Finally, we have a county-approved SSL program in which older swimmers, supervised by the coaches, teach swimming to our minis.

Our coaches also will be expected to participate in pep rallies, barbecues, ribbon celebrations, an awards banquet, and other team socials throughout the season. Indeed, our coaches will need to be take-charge leaders who get along well with all types – kids and adults.

In return, we're offering:

- Competitive salaries commensurate with experience
- Performance bonuses based on merit
- Opportunity to earn extra income from swim lessons, the KM swim clinic, masters swimming, and lifeguarding
- An enjoyable, beneficial experience with swim parents eager to help!

If interested or for more information, please send a brief email containing your qualifications, salary requirements, references, and contact information to our swim team director:
