ABOUT US:

Northwest Branch Pool, located in Silver Spring, Maryland, is a community pool with approximately 225 active swim team swimmers. We are a long-standing MSCL team (since 1964!) that emphasizes personal improvement, team fun, sportsmanship and spirited competition as one swim team. For the 2020 summer swim season, NWB will once again be seeded in Division B. In addition to Saturday A meets; we participate in a weekly Wednesday night B Meets. NWB also has a pre-team program for our younger swimmers.

NWB coaches receive support from 4 Team Reps and a variety of parents who hold leadership positions with the team as well as the pool board.
