The Rock Creek Fins seek an assistant coach to round out our coaching staff for the 2020 season. The Fins, who will compete in Division I, number approximately 200 swimmers including those who participate as pre-team members and Future Fins. We are looking for an enthusiastic individual who's committed to ensuring swimmers of all ages and skill levels have fun while improving as swimmers and learning the value of sportsmanship and team spirit.

The ideal candidate will have prior coaching experience, and must have current lifeguard and CPR certification.

Primary Responsibilities:

- Assist head coach in developing practices that balance basic swim instruction, stroke work, and endurance training.
- Assist head coach in creating lineups for all meets.
- Assist head coach at each swim meet through the season from time trials to All-Stars.
- Participate in all morning and evening team, pre-team, and Future Fins practices from Memorial Day through All-Stars weekend.
- Attend other scheduled events and meetings as directed by head coach or team rep, including weekly spirit events.
- Exhibit enthusiasm, positive attitude, good sportsmanship, and team spirit in all interactions with swimmers, parents, coaches, and opposing teams.
- Provide constructive feedback, positive instruction, and encouragement to all swimmers.

The Fins provide a competitive salary based on experience, as well the potential for a performance-based bonus at the end of the summer. Most of our coaches also take advantage of the opportunity to provide private lessons to pool members.

Interested candidates should contact Geoff Plague at swimreps@rockcreekpool.com.
