ASSISTANT COACH WANTED!!

The Tallyho Swim Team is seeking an Assistant Coach for the 2012 summer season and beyond. The Tallyho Swim Club is a vibrant community pool with ~150 swimmers, a top-notch coaching staff, and enthusiastic and supportive parents who all share a commitment to a swim season filled with competitive swimming, team spirit, friendships, and fun.

We enjoy a long tradition of competitive swimming in a positive and encouraging environment. This year, the Tallyho Foxes will be swimming in C Division. Our focus is on swimmer development, team spirit and sportsmanship. Our culture is one of encouragement, learning, enthusiasm and team spirit. We are fortunate to have Richard Rosenthal as our head coach. Richard is a professional full-time coach who is also a Tallyho parent – he is returning to Tallyho for his 16th year. Our coaches are expert and experienced teachers and leaders who exemplify principles of sportsmanship and team spirit. Our swimmers are spirited competitors who support each other and embrace the whole summer swim team experience. We are searching for an assistant coach who will develop our swimmers at all levels, encourage a love of swimming and competition, promote good sportsmanship, be an appropriate role model and have fun getting to know all our Foxes!

Preferred candidate should:

- Be well versed in stroke mechanics and teaching/coaching those mechanics
- Have experience teaching swimmers of all ages and levels of skill and experience
- Have a positive work ethic and willingness to work in coordination with head coach and other assistant coaches
- Have strong leadership skills and prior coaching experience (preferred)
- Have current Montgomery County lifeguard and CPR certification

Our season starts Memorial Day weekend and continues through July 29th. After-school practices begin Tuesday, May 29th, and we also have morning practices (mid-June). We expect coaches to be available for all A and B meets, Relay Carnival, Divisionals and All-Stars. Because Tallyho swimming is social as well as athletic, coaches are expected to participate in pep rallies, team dinners, an awards banquet, and other celebrations throughout the season. Tallyho swim team believes it is important to us to find coaches who embrace our culture and traditions and enjoy working with children and teenagers.

We offer a competitive salary and the potential to earn a bonus. Coaches also have the opportunity to earn extra income from swim lessons arranged privately with pool members.

Please send your resume and a note expressing your interest to our Swim Team Representative:
