

East Gate and Wheaton Woods Officials

Below is a listing of East Gate and Wheaton Woods officials from the 2018 season.

If your certification record in a position is '17' or earlier then you need to attend a clinic to recertify in order to work on deck in 2019.

If you have secured membership at a new pool, please do one of the following:

- Send an email to officials@mcsl.org and let us know the team you are transferring from (WW or EG) and your new MCSL team
- If you need to attend a clinic this year, you may indicate that you have changed teams and write your new team on the blue clinic attendance card. If you do so, please also write "transfer from EG" or "transfer from WW" on the top of the card (if you've already emailed this information to officials@mcsl.org then just write your current team on the card – there is no need to indicate that you have changed teams).

Note that you do not need to apply to transfer to a new team since your former team has withdrawn from the league.

Please email officials@mcsl.org with any questions.
