Dear _____,

This summer, Twin Farms Swim Club will be hosting a “Popsicle” mini-meet for younger kids (8 & under) who do not have the opportunity of swimming in regular dual meets. We would like members of your pool to participate in this event.

The meet will be held at our pool on Sunday, July 17th at 9:00 a.m. Registration forms are attached for the kids to sign up for their choice of events (limit 4). The meet is not intended for “experienced” swimmers – this meet is intended to be fun and give inexperienced swimmers an opportunity to practice and see what a meet feels like.

The meet will be run by Twin Farms volunteers. There is a cost to partake in this meet, as seen on the registration form, to cover costs for award ribbons and lifeguards. We hope that you all can join us!

Please let us know if your pool is interested as soon as possible. If you have any questions or need additional information, please contact David Hylton or Irene Lemberos.

We look forward to having you participate in this event.

Thank you,

David Hylton
